

**REMARKS****I. Status of the Claims**

Claims 1-5 stand rejected.

Claim 6 is allowed.

Claims 1 and 5 have been amended. No new matter has been added.

Claims 1-6 are pending.

**II. Acknowledgement of Allowable Subject Matter**

The Applicant would like to thank the Examiner for the indication of allowable subject matter in claims 1-5. Claims 1 and 5 have been amended to overcome the rejection under 35 U.S.C. § 112, second paragraph.

**III. Objection to the Drawings Under 37 C.F.R. 1.84(p)(5)**

The Examiner has objected to the drawings as failing to comply with 37 C.F.R. 1.84(p)(5). The Examiner states that the drawings do not include reference signs mentioned in the description, specifically reference numerals 144a and 133b. Applicant respectfully traverses the Examiner's objection.

Applicant submits that reference numerals 144a and 133b are both included in the drawings submitted on October 23, 2003. In particular, 144a and 133b are both shown in drawing figure 2. Applicant respectfully requests that this objection be withdrawn.

**IV. Rejections Under 35 U.S.C. § 112, Second Paragraph**

Claims 1 and 5 have been rejected under 35 U.S.C. § 112, second paragraph, as being incomplete for omitting essential structural cooperative relationships of elements with such omission amounting to a gap between the necessary structural connections. Applicant submits that

claims 1 and 5 have been amended to overcome this rejection. Accordingly, Applicant requests that this rejection be withdrawn.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Dated: April 25, 2005

Respectfully submitted,

By   
Raffaele A. DeMarco
